Testimony of Ellen G. White

When waking out of sleep, she called the nurse to her side and said, "I want to tell you. I hate sin (repeated three times). I am charged to tell our people, that some do not realize, that the devil has device after device, and he carries them out in ways that they do not expect. Satan's agencies will invent ways to make sinners out of saints.

"I tell you now, that when I am laid to rest, great changes will take place.

"I do not know when I shall be taken; and I desire to warn all against the devices of the devil.

"I want the people to know that I warned them fully before my death.

"I do not know especially what changes will take place; but they should watch every conceivable sin that Satan will try to immortalize."

To Her Grandchildren

"Remember the Lord will carry us through. I am guarding every moment, so that nothing may come between me and the Lord. I hope there will not. God grant that we may all prove faithful. There will be a glorious meeting soon."
